Please include in your reply to the attached, a request that Gen. Cabell's letter of 27 April also be stamped **CONFIDENTIAL**.

The ^{CIA} recipients of copies of that letter should also be advised to so classify them - we've taken care of the DDCI and Exec Registry copies.

Thanks.

Remarks:

CI Staff and TSS, both of DD/P, have been advised to classify General Reichelderfer's original incoming letter. We have also stamped the classification on his letter which is in our files.

After again reviewing the file copy of our letter of reply, I do not feel that it needs to be classified. In view of this, I doubt that another reply to NSA is required. Accordingly, I am returning the attached letter for your files per our telephone conversation this date.
